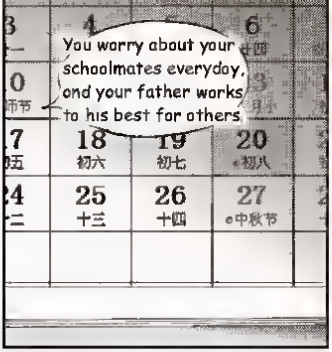
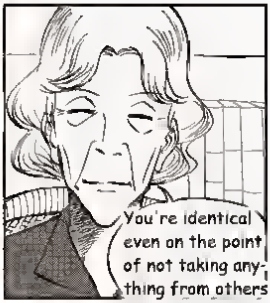
That's the best! I believe 5-3 will have a good performance!

Then I'll go back to closs
Oh wait...
Now that Mid Autumn and Notionol Doy ore close, the school has prepared mooncakes take one bog home
And say hello to your father for me, I haven't seen him for a long time
1996
No thank you! If I took it home my dad will scold me to death!
And it is inappropriate to wonder on compus with benefits for teachers at hand
Hoho
Ling, you're really like your father

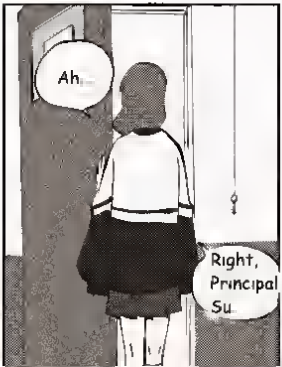


You worry about your schoolmates everyday, and your father works to his best for others.

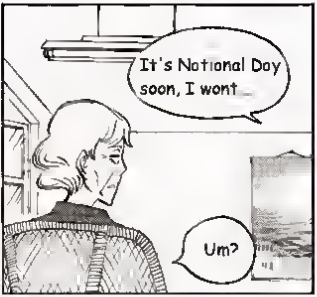


You're identical even on the point of not taking anything from others

Please stop joking on me, I'm just a Year 6 primary school student. I'll go back to class.
OK, you may go now.



Ah...
Right, Principal Su...



It's National Day soon, I wont...

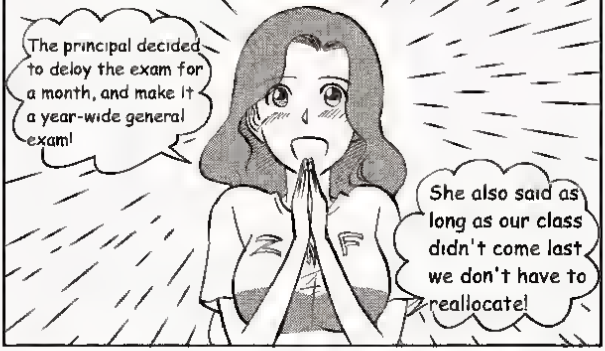
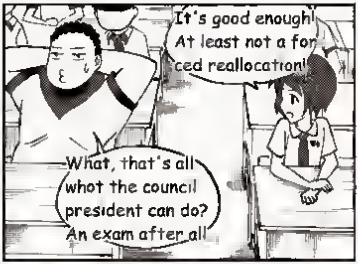
Good news, class!
Class 5-3



The principal decided to deloy the exam for a month, and make it a year-wide general exam!
She also said as long as our class didn't come last we don't have to reallocate!



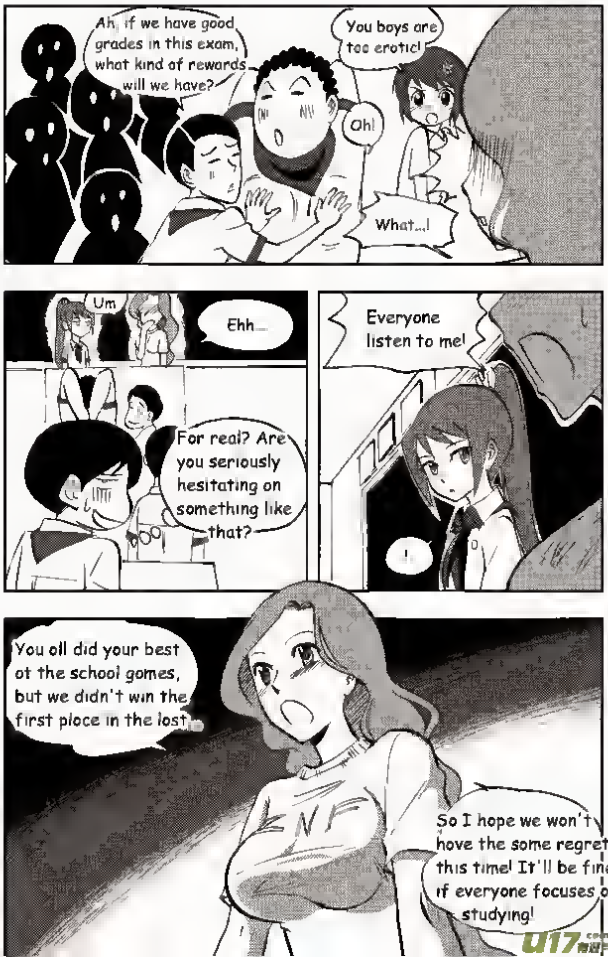
It's good enough! At least not a forced reallocation!
What, that's all whot the council president can do? An exam after all

Eh? Hong you're here for the afternoon? Why aren't you here in the morning?
No Nothing.

Now silence.
We can't win without a fight. It's another great war. If we don't want to be 'subjugated slaves', everyone must work to your best.
Also, we can lose a war, but we can never give up our effort. Such cowardly behaviour will not be tolerated!

Although we didn't win the final victory at the school games, we earned some respect...
You soldiers fought bloody battles, Zhen is touched...
So, to protect the honour of out state...
Zhen adjures you all to fight to your best again!
'adjures'!?
'adjures'?

Tsk
You call yourself monarch but still use the word 'adjure'? Shame I'm better fitted to be the boss
Hawever
I'll stand by you till the last in the exam!
But Bro Jun
Haha!
You've been occupying the last place of our class for a long time, how do you intend to 'stand by you'?
No shit Sherlock!
Although our class has been the last of the year, I believe you can do it this time!
You have praved yourselves in the schaal games!
Naw you just need to prove yourselves ance mare! Came an!



Ah, if we have good grades in this exam, what kind of rewards will we have?
You boys are too erotic!
Oh!
What...!
Um
Ehh...
For real? Are you seriously hesitating on something like that?
Everyone listen to me!
You all did your best at the school games, but we didn't win the first place in the last...
So I hope we won't have the same regret this time! It'll be fine if everyone focuses on studying!

Wait, you didn't deny so thot meons if we succeed
Umm.. just soy something like that. Anyway I won't go to the counsellor's place if we don't reallo cate these kids

For 5-3!

You simply postponed it?
POM!!
嘻ㄎ!!
Principal Su! Have you considered the school's credibility and reputation before changing teaching plans randomly?
Don't be emotional Counsellor Xia
Isn't it nice to give those 5-3 kids a chance to exert themselves?
Exert?
How are those kids who were fighting and talking back in the games exerting themselves? Are you joking?
Counsellor Xia...
Your eagerness to disband Class 5-3 comes from the desire of finding a reason to place that young woman teacher at your hand, right ?
Eh, what what're you talking about?
I knew something early on, there were also other women teachers who complained to me, and I turned a blind eye

Both you and me are normal people let's leave some leeway for each other
We've known each other long enough, how about do me a favour this time?
Ehh...
Humph, it must be Ling saying redundant words again. That girl always wants to meddle with adults' affairs. She just has a father
Stops
Counsellor Xia
I don't care if you talk bad about someone else...
but never Ling and her family

Sept 30
Ah? Go playing in the mountains?
Yes! Tommarraw is the National Day, we have three days off! Let's relax for one day.
But my foot won't allow.
Fortunately it's not a fracture, but as the old saying goes, it takes 100 days. I can't go mountain climbing for sure.
And it's only 20+ days until the exam, every revision day counts.
That's why we didn't organise class-wide activities.
I'm not going after all. I've got other plans. Where are you going?
Reservoir of Cangqiong River in the north.
Reservoir of Cangqiong River?
I think I've heard about it.

Umm... or more than that...
It's not a famous attraction
But only you and Her Majesty? It's not safe to have two girls only.
Zhong-gege is going too.
Oh, fine.
Although I'd love to go...I'm really not able to...
Ming!
I'll go to your place tommorrow morning. Wait there and don't run around!
Ah, Bro Jun
Then... that's it. See you tommorrow!
Whiz
So called plans...
Suspicious.
He's just asking me to help with his studies.

We'll go home then
OK! Wish Your Majesty and Your Highness have a good trip!
Oct 1
Cangqiong River! Bus for Cangqiong River!
Hua Your Majesty! This way!
Minibus for Cangqiong River is here!
Sorry to keep you
Eh? Where's Zhong-gege?
Don't mention him He's annoying
What's wrong?

That guy received a phone call this morning...
Hua, we've got issues, don't go out today.
Why? We're all ready.
Just say sorry to Hong later, don't go out.
Zhen had promised her. Do you want Zhen to be a liar?
Don't make it sound bad!
Zhen has no time to waste on you.
Stop Hua! Do you still want this family or not!
.....
You made me sick.

大年初二也要更新呢－ －……这是我深深的怨念……

不过提前给大家打个预防针吧，年后的新学期，就是我毕业的最后3个半月了，这期间的更新不能保证目前的量了，毕竟身为学生，顺利的毕业才是头等大事啊！

如果漫画形势还是向好的发展，我就专职吧，墙头草神马的最讨厌了《喂。

ps：责编川雅也姐姐顺利产下一名……男婴，且母子健康。恭喜恭喜！
